

CINNAMINSON SEWERAGE AUTHORITY

Employment Opportunity Wastewater Treatment Plant Laborer/Operator Cinnaminson Sewerage Authority

The Cinnaminson Sewerage Authority owns and operates a 2 MGD wastewater treatment plant along with 12 pumping stations, 64 miles of gravity sewers, and 6 miles of pressure mains. We have a position open for a full-time entry-level laborer/operator. The duties call for you to be dependable, self-motivated, and have the ability to perform heavy manual labor for extended periods of time under changing temperatures and climate conditions. You are required to have a valid New Jersey Basic Driver's License and be willing to obtain a Commercial Driver's License within 90 days. It is also a requirement that you be available to work overtime on weekdays and weekends and be able to respond to our treatment facilities for after-hour emergencies within 30 minutes. You will be required to demonstrate that you can read, write, speak, understand, and communicate in English. You will need to have the capacity to follow safety precautions when operating our tools and equipment. We will train you in various tasks relating to the operation of the treatment facilities. All applicants are subject to a pre-employment physical, controlled substance test, background check, and motor vehicle record check. We offer you a competitive salary and benefits. You may obtain an application from us at the Sewerage Authority office located in the Cinnaminson Municipal Building, 1621 Riverton Road, Cinnaminson, NJ 08077. We are an Equal Employment Opportunity Employer.
