## 4. MULTI-COMMERCIAL OR COMBINATION USERS

The minimum quarterly charge for all multi-commercial or combined commercial and residential users serviced through a single water meter shall be the product of the number of units of each type of use (**regardless of the number of units the Township of Cinnaminson tax collector recognizes**), the minimum quarterly charge for commercial use and, if applicable, the minimum quarterly charge for residential units. The minimum water allowance shall be determined in the same manner.

### B. EXCESS WATER CONSUMPTION CHARGES

Consumption in excess of the water allowance within the quarter for the minimum quarterly charge will be billed \$6.60 per 1,000 gallons.
