BILLING CYCLE CHANGE

The Cinnaminson Sewerage Authority's Board of Commissioners has approved to change the billing cycle for Cycle 2. This change will not affect everyone, it will only affect residents that are normally billed in the months of March, June, September, and December.

Effective February 1, 2024, those residents that normally receive a bill in March, June, September, and December will receive their bills in April, July, October, and January. Your next bill will be issued in April 2024 and every three months thereafter. All bills are due upon receipt. Interest will be assessed on the first day of the following month.

The Authority offers two free programs, eBilling and ACH Direct Debit. The eBilling program emails your bill directly to the inbox of your choosing. The ACH Direct Debit program will withdrawal your payment from your bank account on or around the 20th of the month it is due. No more misplaced bills or interest charges. Visit our website at www.cinnaminsonsewerage.org for more information or call (856) 829-5287.
